The Superslim+ Ice Water Purifier now debuts with a newly upgraded faucet, crafted from an ultra hygienic Tritan material.
Experience a new standard of purity and safety.

What is Tritan?

- Tritan is a BPA free, next generation material renowned for its exceptional safety and durability.
- Because it contains zero environmental hormones, it is trusted for products that demand the highest safety such as baby bottles, infant feeding containers, tumblers, and premium food storage items.
- This makes Tritan an ideal choice for a home appliance that your family uses every day.
